

## ASPCA Spay/Neuter Alliance Transportation Services

An additional resource for spay and neuter in Western North Carolina is through the ASPCA Spay/Neuter Alliance's transport service. This service is provided through 20 animal welfare transport partners in 18 counties of Western North Carolina.

Scheduled patients are picked up at a pre-arranged location and then brought to the ASPCA Spay/Neuter Alliance facility in safe, climate-controlled vehicles for surgery. They are returned to the drop-off location the next day. Contact information is below. For more information, visit <https://www.asPCA.org/asPCA-spay-neuter-alliance>.
